GIRL'S SPORTS

The Eighth Grade girls played basketball against the Grand Island team and lost. We played the Tuscaroras and lost this one, too. We all played the Alumnae team and won 24-22. In this game we had a three minute overtime and had two high scorers, Nancy Martin and Donna Spicer.

When we played the Seventh Grade we wore boxing gloves and tied the score.

Some of the Eighth Grade girls have been working on the trampoline. Rachel, Marcia, Nancy, and Donna were part of an exposition for the Comm. Club. Some of the girls also went to Buffalo to show their skill for different teachers of Western New York.

Some of the girls attend Girls Club on Tuesday and have lots of fun playing volleyball, basketball, and baseball. We hope to have a girls' basketball team this year if our Regents exams don't interfere.
